MANTLE DELIVERS PRECISION, FLEXIBILITY, AND DURABILITY

- 1 EXCELLENT SURFACE FINISH**
1-3 μm Ra / Charmilles 26 / D2
- 2 TOOLING TOLERANCES**
+/- 0.001" per inch
- 3 CRISP, DEEP FEATURES**
EDM Sharp / 0.003" radii
- 4 DURABLE TOOL STEELS**
H13 tool steel & 420 stainless steel
- 5 CONFORMAL COOLING**
Reduce cycle times & optimize thermal management
